Vehicle description

Ainsdale Garage Ltd Service & MOT Centre | 3 Months Warranty | 12 Month MOT

This 2016 Ford Fiesta ST-2 boasts exceptionally low mileage for its age, having covered just 48,579 miles. This particular model is a 1.6L petrol variant, adhering to the Euro 6 emission standards, and comes with a clear vehicle history check. Inside, you'll find comfortable and practical features including manual air conditioning and heated driver and passenger seats, perfect for any weather. Connectivity is also a breeze with the integrated Bluetooth hands free phone system. The performance of this Fiesta ST-2 is truly impressive, highlighted by its rapid 0-62mph acceleration time of just 6.9 seconds. This swift acceleration indicates a more dynamic driving experience compared to many other vehicles in its class. The ST-2 trim level further enhances the appeal of this already popular Ford model, offering a compelling combination of sporty performance and everyday usability.
