Vehicle description

Ainsdale Garage Ltd Service & MOT Centre | 3 Months Warranty | 12 Month MOT

This 2022 Peugeot Partner 1.5 BlueHDi 1000 Asphalt Premium Standard Panel Van is a practical and modern choice for those needing a reliable work vehicle. As an Asphalt Premium trim, this short wheelbase model features a 1.5 litre diesel engine paired with an EAT8 automatic transmission. It meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The interior is equipped with the Peugeot i-Cockpit, which includes a head-up display and a compact steering wheel, designed to keep essential information within the driver's line of sight. The vehicle is designed to balance efficiency with capability, offering a fuel economy of 54 mpg and low CO2 emissions, which helps to reduce running costs. With 130 bhp available, it provides sufficient power for daily tasks, while the 3900 litres of cargo volume ensures ample space for transporting goods. Technology is a key focus, featuring an 8 inch capacitive colour touchscreen with connected 3D navigation, DAB radio, and Bluetooth connectivity. Manoeuvring is made easier through the inclusion of front and rear parking sensors, along with a surround rear vision system that utilises a rear camera to assist with parking and visibility.

Specifications
