Vehicle description

Ainsdale Garage Ltd Service & MOT Centre | 3 Months Warranty | 12 Month MOT

The 2014 Nissan X-Trail dCi Tekna is a capable SUV that combines practicality with a refined driving experience. This model is powered by a 1.6 litre diesel engine and features a four wheel drive system, providing confidence across various road conditions. As a Tekna trim, it includes a leather gear knob, which adds a touch of comfort to the interior cabin. This vehicle stands out for its balance of efficiency and utility, offering an impressive fuel economy of 53 mpg. It is also designed with convenience in mind, featuring rear parking sensors and automatic headlights with a dusk sensor to assist the driver. The inclusion of Bi-LED headlights ensures clear visibility, while Bluetooth audio streaming compatibility allows for easy connectivity on the move. Furthermore, the X-Trail is noted for its large boot space, making it a practical choice for families or those needing extra room, and it benefits from a low insurance group, which helps to keep running costs manageable.
