Vehicle description

Ainsdale Garage Ltd Service & MOT Centre | 3 Months Warranty | 12 Month MOT

This 2016 MINI Convertible Cooper is a well-maintained example of the popular open-top model, having been driven just 46,200 miles from new. With only two previous owners, this vehicle has been carefully looked after and offers a reliable option for those seeking a stylish and practical car. It is powered by a 1.5-litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with modern environmental regulations. The vehicle is equipped with the PEPPER Pack, which enhances the overall driving experience, alongside a range of features designed for convenience and comfort. Parking is made straightforward thanks to the rear parking distance control and the integrated rear view camera, which provide helpful assistance when manoeuvring. Inside, the cabin is kept comfortable with automatic dual zone air conditioning and climate control, ensuring a pleasant environment regardless of the weather. Beyond its equipment, this MINI is an economical choice, offering an impressive fuel economy of 58 mpg, low CO2 emissions, and the benefit of falling into a low insurance group, making it a cost-effective car to run.
