Vehicle description

Ainsdale Garage Ltd Service & MOT Centre | 3 Months Warranty | 12 Month MOT

This 2017 Peugeot 3008 PureTech Allure is a practical SUV that has been kept by only two owners from new. It is powered by a 1.2 litre petrol engine that meets Euro 6 emission standards, ensuring it remains compliant with current environmental regulations. The vehicle comes well equipped with a range of technology, including a Bluetooth telephone facility for easy connectivity and a Visibility Pack that features automatic headlights. It also comes with Navigation, Apple Car Play and Android Auto Connectivity, Reverse Camera to assist with parking and one of the nicest driving positions / cockpits on the road. The popularity of these cars cannot be understated and its clear to us to see exactly why that is. This particular example is in superb condition just requiring an alloy wheel refurb to bring it back to top condition, this can be done at cost if required. The vehicle also has a full service history and has been incredibly well looked after by its 2 previous owners. The vehicle is HPI clear and comes with a 12 month MOT.
